## EOI DETAILS

### 1. Background

Ashley Park Primary School is located at 105 Orchard Road, Doreen and situated beside the Orchard Road Community and Early Learning Centre. We opened in January 2019.

The school has a current enrolment of 347 students Foundation to Year 6. It is expected that enrolment will increase to 410 students in 2023 and has a total capacity of 525.

The school design is state of the art consisting of our Silver Gum Centre – admin, library and staff facilities and two open plan, flexible and adaptive learning spaces that share an outdoor learning street. Our Ironbark Sports and Arts Centre includes a full size competition grade basketball stadium, performing arts space and fully equipped canteen. The school site is large with ample play areas for the students including an AFL oval, outdoor multi courts, nature play area, playground and sandpit. Our local community utilise these schools facilities outside of school.

The student population, assumed to be represented by a wide range of socio-economic backgrounds, is likely to be characterised by a reasonable percentage of families with both parents working.

The canteen service is required to cater for a significant proportion of students and approximately to 30 staff members during Victorian term periods with the exception of public holidays and pupil free days.

Site visit: The Principal of Ashley Park Primary School offers prospective providers an opportunity to view the school canteen facilities up until November 17 2022. Service providers are required to contact Keren Barro on 8776 0200 to arrange a mutually convenient time. No more than two (2) attendees from the same service provider may attend the same site visit. All attendees must sign the attendance record which will be provided at each site visit.

Facilities available for use by the successful service provider to deliver the services required include a canteen kitchen which has a large double door refrigerator, one large chest freezer, one 4 burner oven and one small dishwasher.

## 2. Scope

### Length of Service:

To provide a canteen service to the school community for a 1 year contract with an option for a further 3 individual 1 year terms.

### Required Operating Hours:

For 2023 we require the canteen to be open/available on at least two school days per week, with one of them being a Friday (not negotiable) with the exception of pupil free days and the last week of the school year. The option for further days of operation would be welcomed and negotiated.

The canteen will cater for student lunch orders on those days.

The canteen will also be open for students to purchase healthy snacks and drinks during recess 11.00am to 11.15am and lunch time 1.40pm to 2.00pm.

The provider will be allowed access to the space on those days between 8.00am and 3.00pm to provide opportunity to set up and pack up the canteen and provide the canteen service.

### School Council statement:

The School Council wants the service provider to provide an affordable and healthy canteen service to the school community.

The School Council believe that all employees that work in the canteen service should be facilitators of positive development who provide a safe, engaging environment and nurture healthy interactions.

The School will license the following facilities:

- Kitchen (canteen)

### Required regulatory compliance:

It is the responsibility of the selected service provider to comply with the *National Law and National Regulations* at all times. Any updates or changes to the facilities to meet these requirements will be the cost/ responsibility of the service provider.

### Child Safe Standards:

As of 2016, all early childhood services (including OSHC) and schools are required to comply with Child Safe Standards. Child Safe Standards were updated in 2022 and the standards are as follows:

- Organisations establish a culturally safe environment in which the diverse and unique identities and experiences of Aboriginal children and young people are respected and valued
- Child safety and wellbeing is embedded in organisational leadership, governance, and culture
- Children and young people are empowered about their rights, participate in decisions affecting them and are taken seriously
- Families and communities are informed, and involved in promoting child safety and wellbeing
- Equity is upheld, and diverse needs respected in policy and practice
- People working with children and young people are suitable and supported to reflect child safety and wellbeing values in practice
- Processes for complaints and concerns are child focused
- Staff and volunteers are equipped with the knowledge, skills, and awareness to keep children and young people safe through ongoing education and training
- Physical and online environments promote safety and wellbeing while minimising the opportunity for children and young people to be harmed
- Implementation of the Child Safe Standards is regularly reviewed and improved
- Policies and procedures document how the organisation is safe for children and young people

The service provider must advise as part of the EOI submission how they have implemented, operate and comply with the Child Safe Standards. The service provider must attach working with children clearances and attest to complying with the Victorian Child Safe Standards, including:

- having a Child Safety and Wellbeing Policy
- having a Child Safety Code of Conduct
- conducting child safe screening of all staff working with children, including requiring a Working with Children clearance.

The service provider may wish to invite parents/carers of students to assist in the canteen. This must be managed in line with Ashley Park Primary School's Volunteers Policy and the service provider is responsible for ensuring that all volunteers have a Working With Children Check and that they supply them to the School prior to assisting. All volunteers must sign in at the office before assisting in the canteen.

#### Capability of provider:

A person's capability to operate as a canteen service provider is of critical importance. Updates in the national law as of 2017 have been identified to address this through specifying:

- Either the approved provider, a nominated supervisor, or a person in day to day charge must be present when a service is operating
- Services will be able to have more than one nominated supervisor
- The approved provider will be responsible for ensuring the person they appoint as a nominated supervisor must be fit and proper and have suitable skills to supervise the service
- A nominated supervisor will need to consent in writing to appointment to the role
- Each nominated supervisor and person in day to day charge will have to undertake child protection training

The service provider must advise as part of the EOI submission how they have implemented, operate and comply with the Child Safe Standards.

#### Food and drink:

The successful service provider will be required to provide food and drink to students as a part of the canteen service. Equipment available for the provision of food and drinks include a canteen kitchen which has a large double door refrigerator, one large chest freezer, one 4 burner oven and one small dishwasher. Any other appliances required must be supplied by the successful provider.

Any food and drink supplied must be nutritious, in adequate quantity and take into account childrens' growth and developmental needs and cultural, religious and health requirements. An accurate menu must also be displayed and available to families.

The canteen is a shared school facility. It is used by our OSHC provider from 6.30am – 8.45am and 3.30pm – 6.30pm every day. Access from 2.30/2.45pm will be needed on days the canteen operates for their preparation and they may need time after 8.45am for clean up and pack up.

The storage areas and chest freezer in the canteen is also used by the School for both consumables and supplies and this will be negotiated between the successful provider and the School.

The School will have access to the canteen at all times and may use it for school purposes on days when not in operation.

The service provider will be invited to provide special lunches on days during the year. They will also be invited to open during community events if they would like.

All orders must be managed by the provider. Replacement lunches, lost orders, refunds etc must be made directly with families and not through the school office.

Clear guidelines for managing the dietary, allergy and anaphylaxis needs of students must be in place to ensure the health and safety needs of students are met.

#### Cleaning

The service provider will be responsible for cleaning all aspects of the kitchen area, store rooms, staff toilet and appliances at the end of each day of operation.

#### Maintenance / Repairs:

Any maintenance or repairs required, beyond reasonable wear and tear, must be prepared by the service provider. If these are not rectified in a timely way, the School Council may do so, and any costs will be invoiced direct to the service provider.

#### Transition / Implementation Plan:

The successful service provider, if not the incumbent, is required to provide a transition plan, which includes but is not limited to an outline of the hand over process, appropriate handling of children details and data (if necessary), removal of the outgoing service provider's equipment and cleaning/maintenance requirements.

Referees:

Service providers are required to nominate two (2) customers (preferably schools) to whom they currently provide similar services.
