

mobile phone policy

PURPOSE

To explain to our school community the Department's and Ashley Park Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Ashley Park Primary School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

For the purpose of this policy, "mobile phone" refers to mobile phones and any personal device that may connect to or have a similar functionality to a mobile phone such as smart watches.

POLICY

Ashley Park Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Ashley Park Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Ashley Park Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Ashley Park Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Ashley Park Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Ashley Park Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Ashley Park Primary School

students are required to store their mobile phones in the lockable safe in the Senior Learning Space. The Senior community teachers are available between 8.50am and 9am and 3.30pm and 3.40pm for students to secure and collect their phone. If students arrive after this time they need to notify their community teacher that they need to secure their phone and arrangements will be made for them to do this as soon as practical. If leaving early they will need to retrieve their mobile phone from their safe on the way to the office.

Enforcement

Students who use their personal mobile phones inappropriately at Ashley Park Primary School will be asked to immediately place the mobile phone in the safe. Dependent on the student’s response and the number of times they have used their mobile phone at school they may be issued with consequences consistent with our school’s existing *Student Wellbeing and Engagement* and *Bullying Prevention* policies.

At Ashley Park Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
